

Regulations Environmental Protection Solutions

THE WEED AND PEST CONTROL CHALLENGE

A Conference for Senior Managers in:

- Local Authorities
- Highways
- Utilities
- Sport & Leisure
- Landscape
- Grounds Maintenance
- Town Centre Management

An opportunity to join in the debate on our responsibilities for maintaining a high quality sustainable environment in the amenity, landscape and sports sector.

Experts from the UK and the EU will discuss

- Compliance with the new statutory Code of Practice and other regulations
- The challenges of achieving Best Practice
- Prevent pesticide residues reaching water
- Practical solutions to these issues.

Further details of the event will be available in the final circular

March 1st 2006
Warwickshire County Cricket Club, Edgbaston

For further details on how to register for the event please contact
Becky Dyer on becky.dyer@bcpc.org or by phone on: 01420 593200.
