HOTEL BOOKING SERVICE

To assist delegates, the Conference Delegate Accommodation Bureau of Brighton & Hove has been appointed to handle the hotel bookings. Preferential room rates have been negotiated for registered delegates at the hotels on pages 17 and 18.

INSPECTION CRITERIA

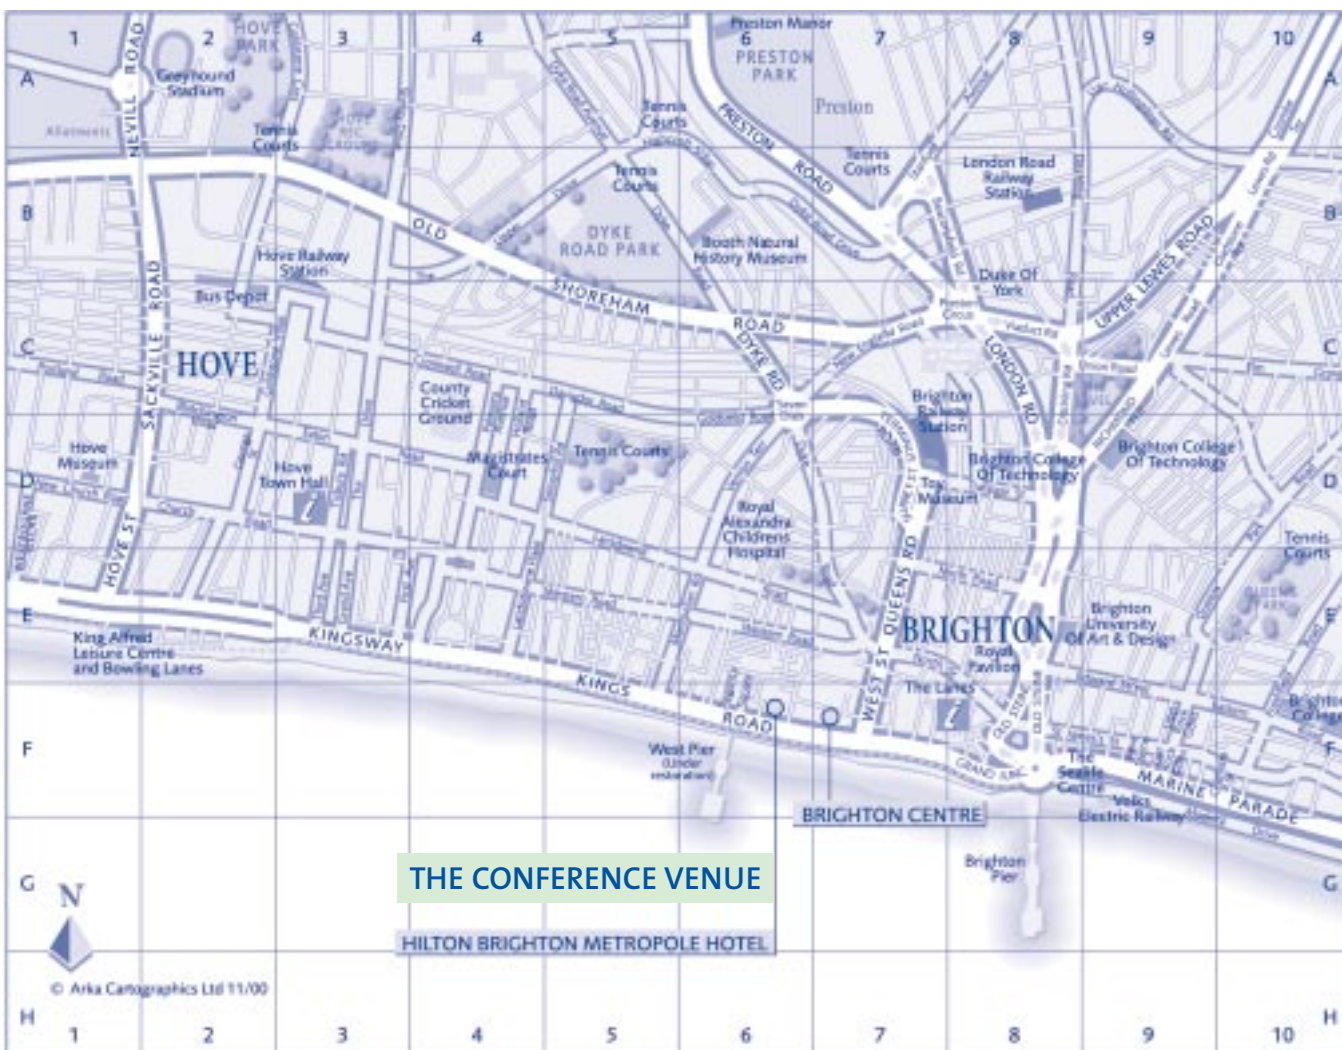

All properties are inspected under the national accommodation standards scheme run by the AA, RAC and ETC (English Tourism Council). Hotels are awarded one to five stars: the more stars the higher the quality and the greater range of facilities. Smaller hotels and guest houses are awarded one to five diamonds: the more diamonds the higher the overall quality in areas such as service, hospitality, bedrooms, bathrooms and food quality.

Many of the smaller hotels have diamonds rather than stars simply because they do not serve evening meals.

FACILITIES OFFERED BY YOUR HOTEL

We have included symbols for just a few of the most important facilities offered by the hotels listed. Please note that your hotel may offer additional facilities which can be checked with the establishment.

OTHER HOTELS AND GUEST HOUSES

Brighton and Hove offer Conference delegates a wide choice of additional accommodation. Medium sized three star establishments offer good value and extensive services; smaller properties range from high quality townhouses with bedrooms

on a par with Brighton's major hotels, to basic properties with only some rooms en suite but offering a warm welcome to compensate for the lack of frills. Prices quoted are per room per night and include breakfast and VAT @ 17.5%
