

# Soils and Crop Protection Chemicals

Monograph No. 27

Proceedings of a Symposium held at  
Wye College, Kent.  
11th and 12th July, 1984

Edited by  
R. J. HANCE

BCPC Publications

SYMPOSIUM PROGRAMME COMMITTEE	vii
<b>1. SETTING THE SCENE</b>	<b>1</b>
Is there a future for soil-acting herbicides? D. H. BROOKS	3
Pesticides and soils: a regulatory view B. THOMAS	15
Soil applied chemicals: the decision making process A. J. BIDE	25
Crop protection chemicals and root growth R. J. W. DIGHT	29
<b>2. FACTORS AFFECTING ACTIVITY</b>	<b>33</b>
Factors affecting the uptake of soil-applied chemicals by plants and other organisms G. G. BRIGGS	35
Formulation and application factors involved in the performance of soil-applied pesticides C. G. L. FURMIDGE	49
Relationships between soil cultivation and pesticide performance R. J. HANCE and E. G. COTTERILL	65
The influence of cultural practices on the activity of soil-acting herbicides S. R. MOSS	77
<b>3. FACTORS AFFECTING PERSISTENCE</b>	<b>87</b>
Variables determining the rates of biodegradation of pesticides in soil J. P. E. ANDERSON. Paper not submitted	
Influence of soil and environmental factors on pesticide persistence A. WALKER and R. ALLEN	89
Decomposition of simazine in different soils under field and laboratory conditions B. C. KOSTOWSKA and J. ROLA	101
Simulation of the persistence of atrazine in a French soil C. VACHER and E. FABRE	109
Enhanced biodegradation of pesticides: the phenomenon and its implications D. D. KAUFMAN. Paper not submitted	
Evidence for enhanced degradation of iprodione in soils treated previously with this fungicide A. WALKER, A. R. ENTWISTLE and N. J. DEARNALEY	117

<b>4. SOIL-ACTING PESTICIDES IN PRACTICE: LIMITATIONS AND OPPORTUNITIES</b>	<b>125</b>
Fungicides for soil and seed application: current practice and future prospects	
N. H. ANDERSON	127
Control of pests in soil: problems and opportunities	
J. P. FISHER and J. ROBINSON	147
Soil-applied herbicides in current and future husbandry systems	
J. H. ORSON	163
 CONTRIBUTORS, SESSION CHAIRMEN AND SESSION ORGANISERS	 177
